CAPA College provides full-time specialist Arts training and education for students aged 16-19. 2018 marks an exciting new chapter in the history and development of CAPA College and we are looking to recruit an Production Arts Designer & Technician who is keen to join the college now and be part of its development.

From September 2018 CAPA College opens as a new DFE funded Free School within Enhance Academy Trust. Building on the outstanding legacy that CAPA College has achieved over the past 12-years, and still under the direction of the same successful core leadership team, CAPA College will now be able to develop and expand allowing even more talented and creative young people to gain access to the highest quality of Arts training and education.

CAPA College will offer more student places, more exciting opportunities, new course pathways, increased staffing and resources and a brand-new and purpose-built home with the latest specialist arts and media facilities. CAPA College will be renting temporary accommodation from September 2018 whilst its permanent new bespoke home at Mulberry Way, Wakefield, is under construction (due for completion Summer 2020).

CAPA College has a regional and national reputation for excellence in the Arts with consistently 'Outstanding' judgements from Ofsted, excellent exam results, exceptional student progression routes and critically acclaimed, award-winning performances. CAPA College are located within the centre of Wakefield, providing places for students in this area and from across the Yorkshire region. We are already at full capacity of 105 students for September 2018 with a further 105 students expected to enrol next year. Capacity will increase to 500 students when the new building opens in 2020.

We are looking for an enthusiastic Production Arts Designer & Technician to join our team of professionals within the college and play a pivotal role in its future success and development. The ideal candidate will support both within the curriculum and with CAPA College's busy calendar of performance and events. Candidates will need to be positive, enthusiastic and enjoy working with both staff and students in a busy, fast paced arts education organisation. You should have excellent skills in theatrical design & construction; be creative and resourceful; be versatile and adaptable; with efficient organisational skills.

If you are excited by the opportunity to be part of a new college and have the creativity, flair, commitment and initiative to make a positive contribution to our successful Production Arts course, then we would love to hear from you.

Please contact our Vice Principal, Eddie Copp at eddie.copp@capacollege.co.uk if you require any further information.
